Full Service Trade Association Representing Dairy Processors, Manufacturers and Distributors Since 1928

To: Northeast Dairy Foods Association, Inc. Members

From: Bruce W. Krupke, Executive Vice President

Date: April 15, 2019

Each year the Northeast Dairy Suppliers Association, Inc. (NDSA), our affiliate vendor/supplier association that supports the dairy processing and manufacturing industry in the northeast hosts a dairy clambake at Hinerwadel's in North Syracuse, NY. Hinerwadel's has closed, this year's new location is THE SPINNING WHEEL EVENT CENTER, which is also located in North Syracuse and will be held in the afternoon from 1pm -7pm on the same day as our morning golf outing, July 10th.

The clambake is a decades old industry event and one that draws company representatives from all segments of the dairy industry, their guests and employees as well. Last year there was over 1,000 in attendance at this daylong event, which is great for networking and a little fun away from the office.

In prior year's tickets could only be obtained only through members of the NDSA, which are your suppliers and vendors. **NEW THIS YEAR** they have agreed to offer you, our members, the option to be able to purchase your own tickets (order form is enclosed). Of course, you can still contact your NDSA member vendors for tickets as well. The list of members can be found on in our membership directory that is on our website www.nedairyfoods.org

The clambake is a huge event, lots of fun, a great way to network and meet new contacts plus the food is plentiful and very tasty. I hope you'll consider joining us this year. If you have any questions, please contact myself or my assistant Leanne Ziemba at our office.

Thank you and hope to see you at the Northeast Dairy Clambake!
